

Chief Short,

I am saddened to hear of the passing of Battalion Chief J. B. Guiler. I had the pleasure of attending Axioms of Leadership and getting to know J. B. even for just three short days. He made a lasting impression on me both professionally as well as personally. Please pass on my condolences to the men and women of Heard County Fire & Emergency Services as well as Chief Guiler's family. He will be missed.

Heath Williams
Deputy Chief
Barrow County Emergency Services.

Thinking of you and wishing you
comfort and peace.
