Dear Chief Short,

I am deeply saddened by the untimely passing of Battalion Chief James "JB" Bernard Guiler on September 2 after 10 years of devoted service to his community. He died a true hero. I can't imagine how devastating this must be for your agency.

I am so grateful to all firefighters and first responders across the country who risk their life every day to protect people like me who are too chicken to do what they do. I admire their dedication to service to their community, which seems to be their chief motivation for becoming firefighters and first responders. They certainly don't do it for the money. Never forget that you are loved and appreciated by 330 million American citizens.

Please send my condolences throughout your department and to Battalion Chief Guiler's family.

Very sincerely yours,

Tim Robinson
Grateful American
