*The bugles will blow  
And the pipes they will sound  
As troops form up on this  
Hallowed ground*

*They've come from four corners  
To say goodbye  
To a comrade in arms  
Who has served by their side*

*Each troop stands silent  
Tallying the score  
And prays for the day  
They bury no more...*

*God bless those who serve.*
