To the family of Battalion Chief James "JB" Bernard Gwiler,

I'm very sorry for the loss of Battalion Chief Gwiler. He was a true hero, one who deeply loved his community. I'll never forget him.

Because of the sorrow your family is going through, I wanted to give you the flag I ran with in his honor. The flag was sponsored by supporters, and I was joined by others in my community. From all of us, we hope you heal soon.

Sincerely,
