

LOOKING FOR
SUPPORT?

engage

Find it with Engage EAP.

We all face challenges in our personal and professional lives. We feel overwhelmed, confused or frustrated. We put our family, friends or colleagues ahead of ourselves.

The Engage Employee Assistance Program can help. Free, confidential support with specialized counselors is available for you and your dependent loved ones. Find the help you need with Engage EAP.

Help is a snap away.

Facing Life's Problems Head-on

Through one-on-one counseling sessions provided at no charge to your employees, the licensed and experienced therapists at *engage* can help your employees work through their problems, such as:

- Alcohol and substance abuse
- Marital and relationship issues
- Organizational changes
- Relationships with coworkers and management
- Emotional health concerns
- Family difficulties
- And more

On-site educational sessions are also available to unify your team and help them work together better.
